Cadet RIB 400

Model Overview:

The tapering buoyancy tubes, which are wider at the stern, make these RIB tenders better suited to the more reliable and easy to use four-stroke motors. The additional buoyancy associated with a padded* hull, provides the CADET Rib with an impressive load capacity 50% higher than that for a traditional tender. The wide diameter of its truncated-cone buoyancy tube ensures surprising stability, making it easy to steer, even in choppy seas. Its generous seating, flat deck (enabling a console to be fitted on the 310, 340 and 400 models) as well as the bow storage locker* make it uniquely comfortable, plus very easy to board and disembark.

*Only on CADET 310 Rib & 400 Rib

Plus Products:

- Progressive diameter buoyancy tubes
- Integrated lifting points
- Moulded non-slip deck
- Excellent performance on the water

Specifications

Dimensions (m - fi)

Length overall:	4.00 - 13'1"
Inside length:	2.90 - 9'6"
Width overall:	1.95 - 6'5"
Inside width:	0.95 - 3'1"
Tube diameter:	0.50 - 1'8"

Capacity

Passengers (ISO):	7
Max payload allowed (B) (kg - lbs):	-
Max payload allowed (C) (kg - lbs):	780 - 1720
Total weight (kg - lbs):	165 - 364
Airtight compartments:	3

Outboard data

Shaft	Long
Min recommended power (Hp - kW):	15 - 11
Max recommended power (Hp - kW):	40 - 30
Max power allowed (Hp - kW):	50 - 37
Max speed (km/h - mph):	59 - 37

Category

Hull storage (m - fi)

Length:	3.63 - 11'11"	Height:	0.69 - 2'3"
Width:	1.24 - 4'1"	Hull angle (°):	22.0

Folded boat dimensions (m - fi)

Length of 1st bag:	-	Length of 2nd bag:	-
Width of 1st bag:	-	Width of 2nd bag:	-
Height of 1st bag:	-	Height of 2nd bag:	-

Equipments

Hull

- V-shaped polyester hull
- Moulded non-slip deck
- Bow locker
- 1 bow D-ring
- 4 integrated lifting points
- 1 stainless steel cleat
- Fuel tank securing system
- Aluminium engine mounting plate
- 1 bailer

Buoyancy tube

- Strongan™ fabric
- Easy Push valves
- Handrail
- 2 Swivel oarlocks
- Broad rubbing strip
- 2 oar rests
- 2 stainless steel tow rings
- 2 carrying handles
- Cone reinforcers
- Removable buoyancy tube

Standard Equipment

- "Quick Release" upholstered removable thwart (dual position)
- Paddles
- Foot pump
- Repair kit
- Owner's manual
